

HOW TO ORDER WRITTEN AND VIDEO

STEP 1 create an account

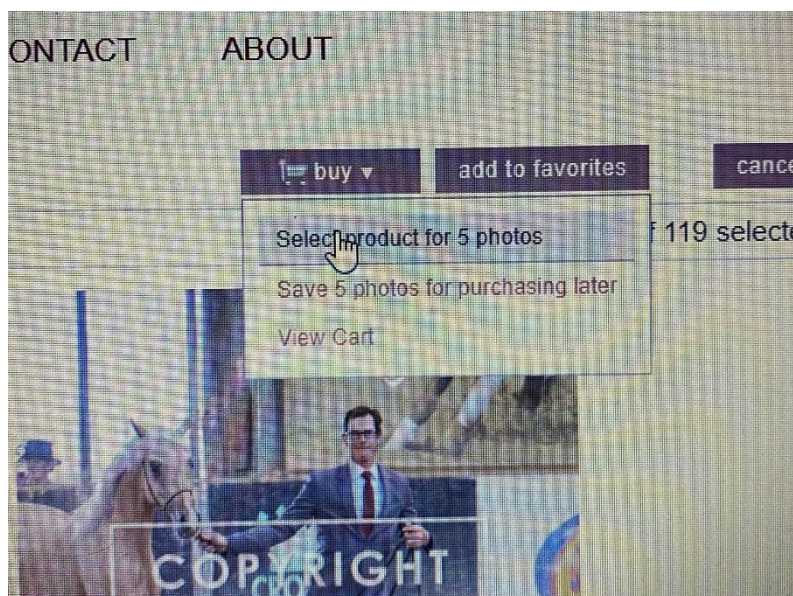

STEP 2

Select your photo album select your photos by hitting the tick button or hitting the favourites (love heart button) which will then save your photos for later

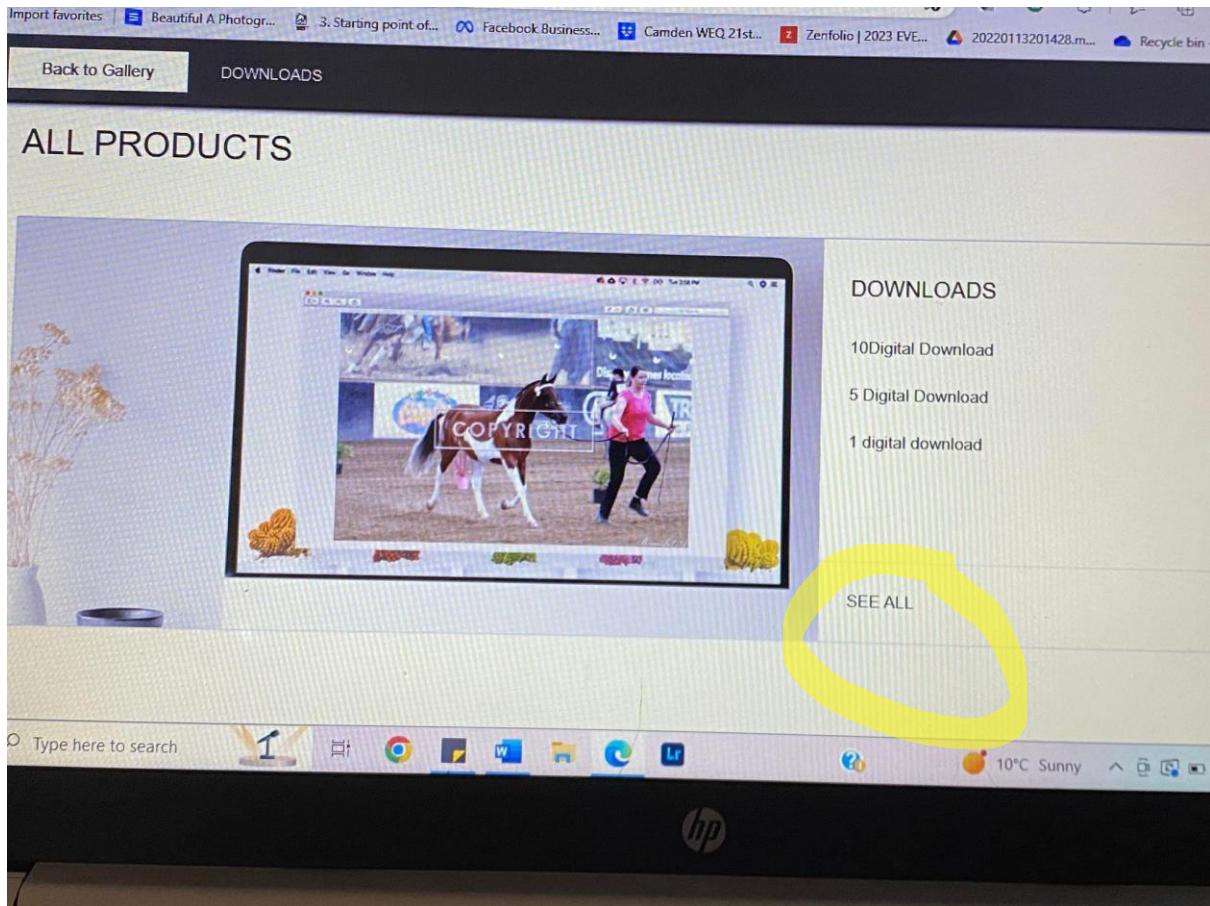

Step 3

Once you've selected your photos go to the buy button at the top of the page and select products

Step 4

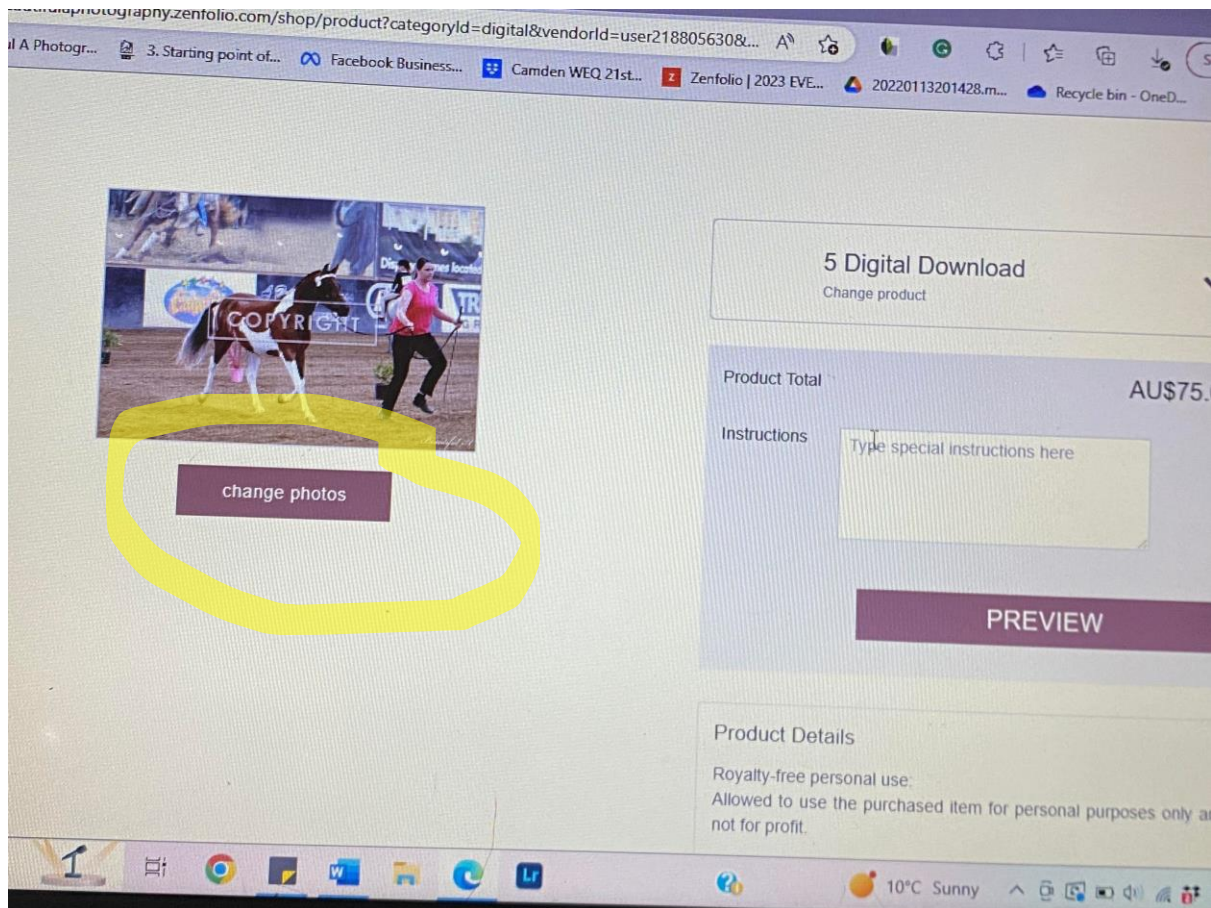

It will then take you to an all products page
click sell all

Step 5

You will see digital download tab please select that if you have 1,5,10 photos

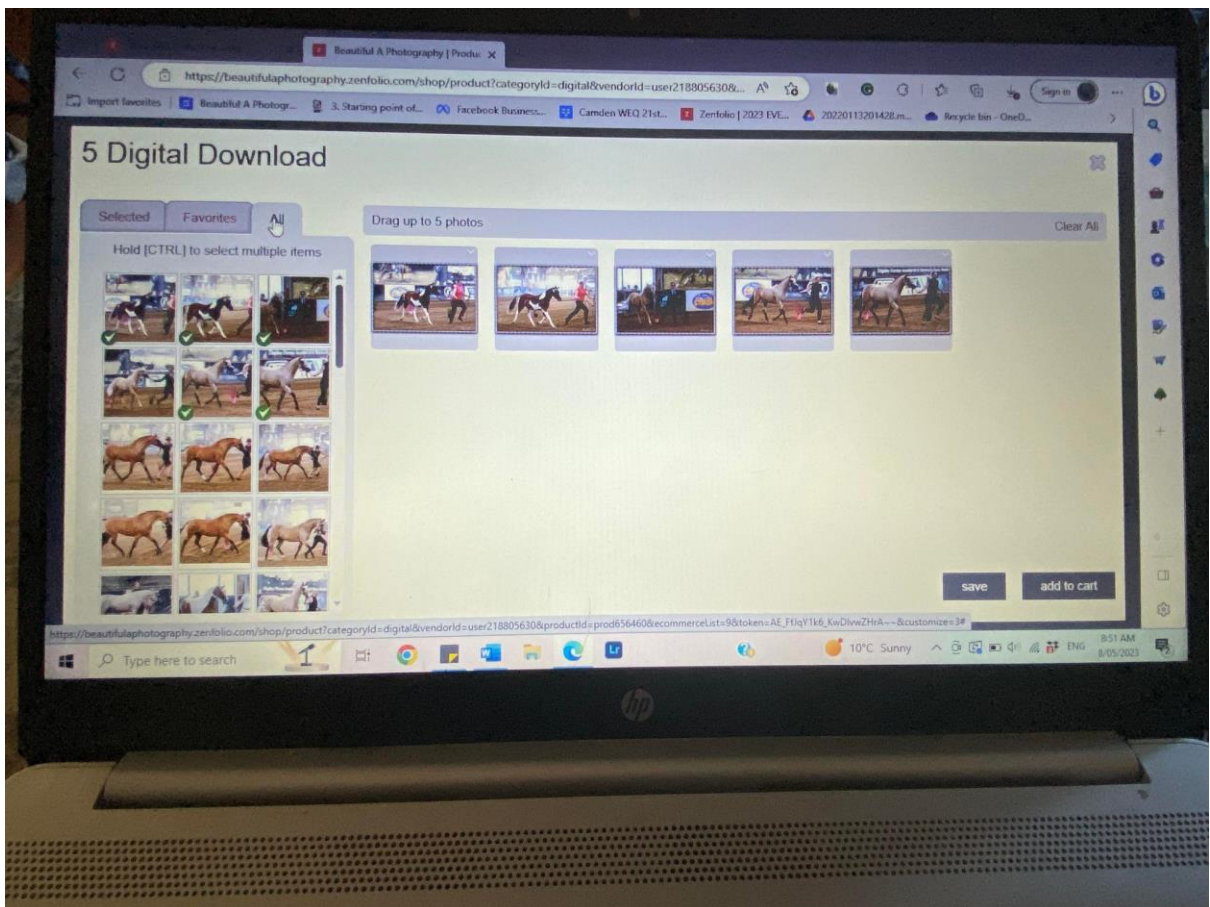

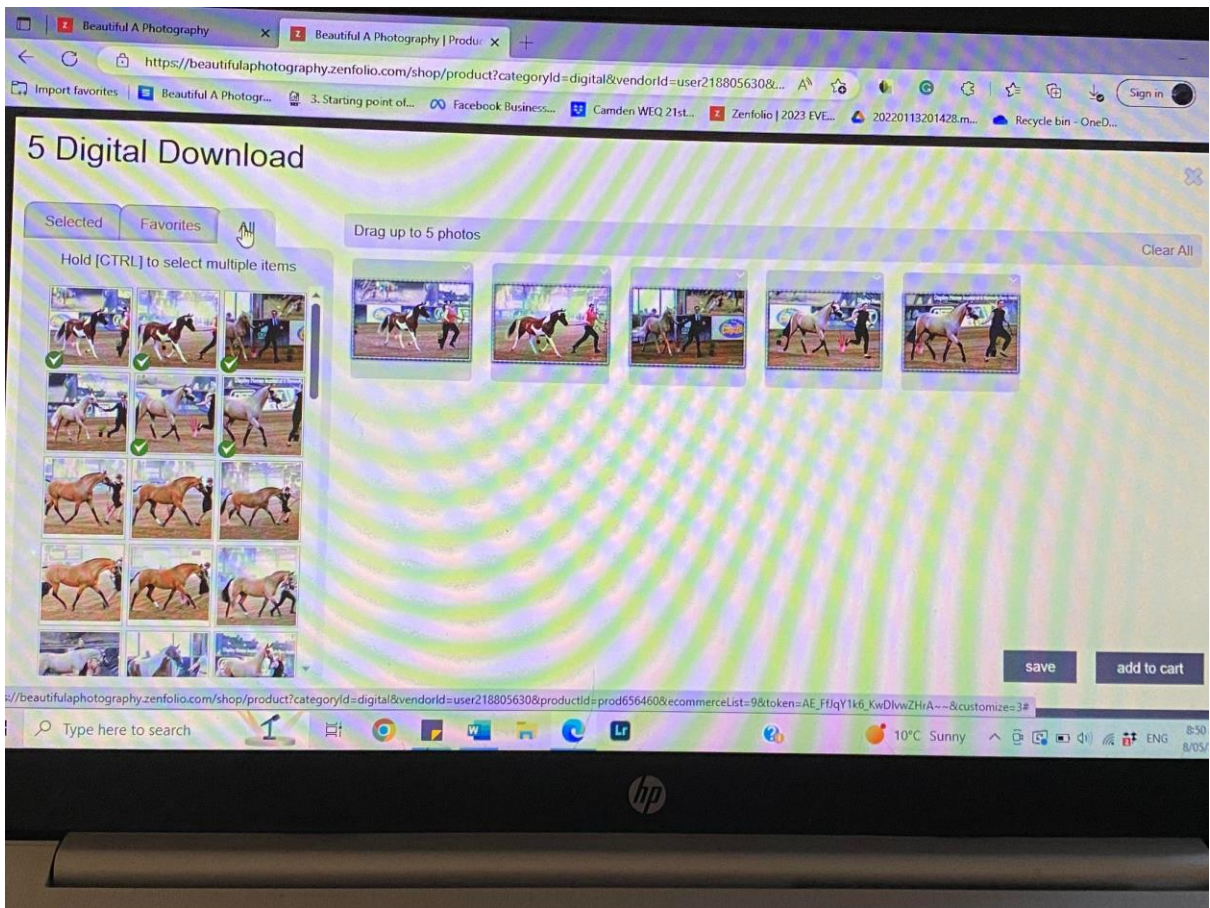

If you'd like to change your photos before purchasing hit change photo

3 tabs will come

up , selected , favourites or all , chose from either 3 to change your photo,

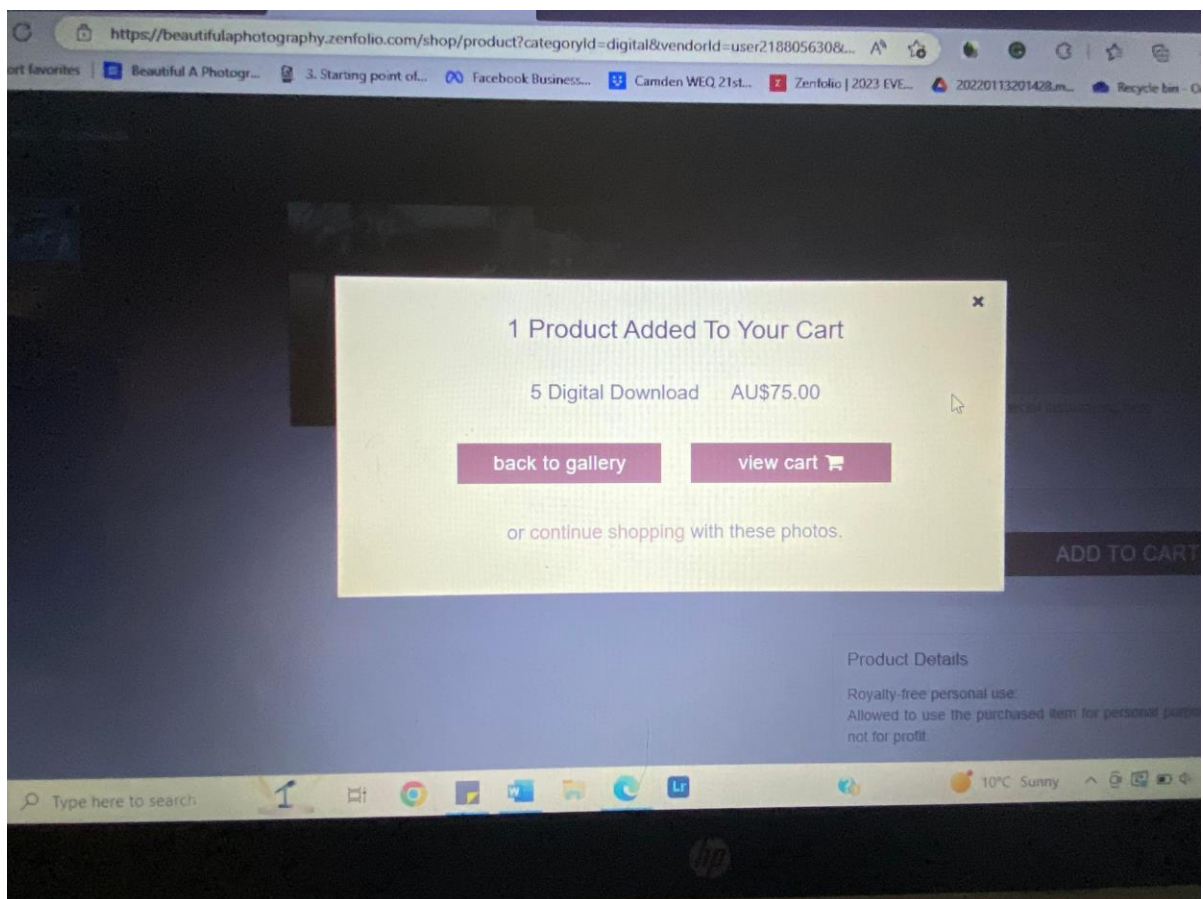

you may click the photo to change it or drag it onto the existing photo you don't want anymore. (pic below)

Once happy with your selection of photo hit
save or add to cart

Step 6

Go to your cart to check out
